

Do you have a group where bodies show up or a group where hearts are being knitted together? Research shows that groups are long-lasting when people feel connected at a deep level. Conversely, people leave groups that lack the heart connection. **Dr. Henry Cloud** will show you what both types of groups look like—and how to accomplish one and avoid the other.

## How to Build in a Connections Group

GROUPS THAT GROW...  
YOUR PEOPLE AND YOUR CHURCH

LIVE CCN SEMINAR  
BY SATELLITE  
THURSDAY, JUNE 5, 2003
