

building an EQUIPPING culture

Unleash the people in your church and help them reach their full potential as partners in ministry. This live CCN satellite seminar with **Don Simmons** and **Leroy Anderson** challenges leaders to

- Empower church members to share in ministry
- Match people's gifts and talents with service areas
- Recognize and develop broad ministry opportunities
- Realize the pastor doesn't have to be all things!

You can create an equipping culture so ministry becomes a team effort.
